**Operation Christmas Child**

Holy Family church is joining with other local and regional churches to participate in Operation Christmas Child which provides a shoe box full of goods for children in third world countries, missions and, most recently the Ukraine. If you would like to donate you can drop off items for the boxes such as school supplies (pencils, crayons, rulers, index cards, markers, etc.) personal care items (comb, toothbrush, wash cloth, fun adhesive bandages), or toys (toy cars, yoyo, slinky, etc.). Another option is you can donate to cover the expenses of shipping which will be \$10 per box. We hope our church can pull together 20 boxes for children in need. Please no toothpaste, food, or liquid. **Items can be dropped off at the parish office or use the plastic totes located at the back of church. Please donate by the first weekend in November. God bless!**

**Holy Family Cancer and Caregivers Support Group**

Following the article about our Cancer & Caregiver group in the Catholic Missourian in June we were blessed to be invited to the Diocesan Nurses' meeting. The goal was to talk about how our group got started and how we are running it now. We had four of our members speak at the meeting. It was a chance to talk about different ideas and get different perspectives. We were able to network with many parish nurses. We have identified some areas that we feel our parish may need to address. We believe we need a grief group started back up for our parish. We need people that would be willing to help with the start-up. We would like to bring in some speakers to talk about different issues such as nutrition and self-care for caregivers. We were also wanting to connect more with St. Joseph's Parish in Palmyra. If you are interested in helping our group reach more people, please contact one of our group members.

We want to regroup, recharge, and reorganize to put on another Women's Welcome retreat in 2026! We have several women who have expressed interest in being on "the giving team", in other words, the team that puts it on or gives the gift of the retreat to other women! But we don't want to leave anyone out, so please reach out to Terra Murphy if you're interested.....

**The Giving Team**

**Recruiting the Giving Team**

If this is your first time hosting Welcome, it is going to take some work on the part of the parish to recruit amazing team members to lead an amazing Welcome Weekend.

The people who will likely make great members of a Giving Team are typically those individuals who are more active within the parish. Ideally, these individuals may also have a large circle of influence and are willing to encourage people to attend the Welcome Weekend in the future.

Hopefully you have a list of people in mind who would make wonderful members of the Giving Team. Now it's time to get out there and recruit them!

We know that asking people to commit to getting involved in anything at the parish, especially things that require a time commitment, can be a challenge. For parishes just beginning Welcome, the first Giving Team will probably take the most effort to recruit. Chapter ten of the Team Guide outlines some tips and tricks for recruiting parishioners to attend the Welcome Weekend. These recruitment techniques can also be used for the formation of an initial Giving Team.

Keep in mind, as Welcome grows and flourishes at your parish (because it will!), recruiting people to get involved will become easier and easier. In addition, the former Receiving Team will generally make up the next Giving Team following each Welcome Weekend, so you should only need to go through this recruitment process once.

We know recruitment of any kind can often sound intimidating. Trust that Jesus is on your side and will lead and guide you. The Dynamic Catholic Welcome Team is here for you, too. You CAN do this!

**EVERYDAY STEWARDSHIP - RECOGNIZE GOD IN YOUR ORDINARY MOMENTS More Than a Buzzword**

If you roll your eyes at the mention of the term stewardship, it's probably because, in the modern Church, stewardship has become something of a corporate buzzword. It's often used interchangeably with the concepts of financial endowment and volunteerism.

What's wrong with supporting your parish monetarily? What's the issue with giving of your time in service and ministry? Nothing at all, in fact — we should all be doing more of these things. But as we do them, we should be constantly asking ourselves the all-important questions: Why am I doing this? How am I doing this? For whom am I doing this?

A donation to the parish school is a great thing. But ideally, the donor would have made the gift regardless of the ability to name the school gym. A tireless volunteer who always finds time for her parish certainly glorifies God with her commitment. But hopefully, her commitment would be just as enthusiastic if she knew there was no prospect of being written up in the bulletin as Volunteer of the Month.

God knows no favorites. The prayer of the Pharisee in the temple did not justify him because the Pharisee didn't really mean it as a prayer. His intent wasn't to thank God, his intent was to draw attention to his gifts. God did not reject the Pharisee's fasting and his tithes, he rejected the spirit in which they were offered.

God desires to transform us — our hearts, our souls, our communities. When we give of ourselves — either through money or through time — he is honored by the act of giving, not the gift itself. We should never make the mistake of thinking that stewardship is "time, talent, and treasure." Stewardship is the spirit of offering these gifts freely. - Tracy Earl Welliver, MTS @LPi

**FEAST OF ALL SAINTS - The Feast of All Saints is not a holyday of obligation this year as it falls on a Saturday and is abrogated.**
