NO VOLUNTEERS NEEDED

Can you imagine what kind of response I would get if I asked my three children, "Who would like to volunteer to clean up the kitchen after dinner today?" Six eyeballs staring at me like I had two heads! If I couch my request in terms of volunteerism, I have suggested that they don't have any real ownership in this matter. Perhaps they do sometimes think that their mother and I are simply hired hands to take care of them, but rest assured, I have not received a paycheck for services rendered lately.

When you and I give a donation of blood, we volunteer our time and blood to the Red Cross. The Red Cross does not employ most of us, nor do we own a part of the Red Cross. We can only volunteer ourselves for the cause.

As parishioners we are part of a parish family. We belong to our parish community. We do not visit on a Sunday morning, since we cannot visit a place that is home. The call of the body of Christ occurs in every parish and our response should be that of the psalmist, "Here am I, Lord; I come to do your will." Real stewardship never counts the cost and never asks for volunteers. We step forward because we belong to something greater than ourselves and the head of that community is Jesus. After dinner at my house, someone needs to clean up the kitchen. In your parish community, someone needs to respond to the call of Jesus. In both cases, no volunteers are needed. We will rely on family instead. @LPi

Parish Office Closed - The Parish Office will be closed this Monday, January 19th in observance of the Dr. Martin Luther King, Jr. holiday. There is no school at Holy Family School on Monday.

Barbara Koop, later Mother Marianne Cope, was born in Germany on January 23, 1838, and immigrated with her parents to New York when she was 2 years old. In August of 1862 she went to the sisters of the Third Order of Saint Francis in Syracuse, New York and took her vows the next year. Her early religious life saw her working as a teacher and administrator for local Catholic schools until she was called upon by the bishop to use her administrative skills as superior of St. Joseph’s Hospital in Syracuse, New York. She devoted herself to the care of the sick and infirm and the hospital flourished under her leadership. As the Provincial Mother of her order in Syracuse, Cope, along with six other sisters, she answered a call made by the Hawaiian government to run the Kaka’ako Branch Hospital on Oahu that served as a receiving

station for people suspected of having leprosy.

Of the more than 50 religious communities in the United States and Canada who were asked by the government to help the suffering communities and hospitals for those with leprosy (Hansen’s disease) in Hawaii, Mother Marianne and her sisters were the only ones to answer the call. They immediately got to work transforming the hospital environment for those with leprosy and their families. Of this mission, she said —

“I am hungry for the work and I wish with all my heart to be one of the chosen ones, whose privilege it will be to sacrifice themselves for the salvation of the souls of the poor Islanders.... I am not afraid of any disease, hence, it would be my greatest delight even to minister to the abandoned ‘lepers’.”

In 1888, Mother Marianne and two sisters took on an even more challenging assignment and went to the Hawaiian island of Moloka’i, a leper colony, to open a new home devoted to the protection of girls and women with leprosy as well as to take charge of the home that her friend, Saint Damien de Veuster, had established for men and boys. She helped improve life on the island by introducing pride, cleanliness, and a little fun to the colony. She often provided bright scarves and dresses for the women she served and cheerfully carried out her mission until she died on August 9, 1918. While in service, she was awarded the Royal Order of Kapiolani by the Hawaiian government for her selfless love and care of those in need and never contracted leprosy. She was canonized in 2012.

Prayer - Prayer for St. Marianne Cope’s intercession

Lord Jesus, you who gave us your commandment of love of God and neighbor, and identified yourself in a special way with the most needy of your people, hear our prayer. Faithful to your teaching, St. Marianne Cope loved and served her neighbor, especially the most desolate outcast, giving herself generously and heroically for those afflicted by leprosy. She alleviated their physical and spiritual sufferings, thus helping them to accept their afflictions with patience.

Her care and concern for others manifested the great love you have for us. Through her merits and intercession, grant us the favor which we confidently ask of you so that the people of God, following the inspiration of her life and apostolate, may practice charity towards all according to your word and example. Amen.
