Come to Christ

Life is perhaps God's greatest gift to each of us. Without life, we would be unable to experience all the wonder of this world, the love of family and friends, and the joy that comes from using our talents and skills. Life itself is more profound a gift than we can even truly contemplate.

On Easter, we celebrate life. For on this day, Jesus Christ conquered death and gave to us the chance for a life eternal. The wonder, love, and joy of this world does not have to end. Through a life in Jesus Christ, these emotions are heightened, and we find even greater fulfillment in this world.

Maybe this Easter you are finding yourself open to taking a next step in your relationship with Jesus. This could be the moment you decide to follow Him more closely and take seriously all that he has given you. If so, welcome to the journey, where there are many other disciples on that same path who can help show you the way and share their stories. If not, hopefully it doesn't take a whole year for this possibility to be considered again. Jesus is alive and waiting to get closer to you. May this Easter season find you and Our Lord getting to know one another in a whole new way. **Happy Easter!** - Tracy Earl Welliver, MTS ©LPi
